Mr. Granfors-Hunt opened the meeting at 7:05pm.

The group addressed questions from Ms. Meeka Nugent about the differences between the Board's Contribution Group funding recommendations and Council's appropriation of funds to the applicant organizations.

All present visited sites at the Springhill Lake Recreation Center, Greenbelt Police Department and Buddy Attick Park in an ongoing effort to identify suitable locations for the display and/or performance of artwork in public spaces. The Board is updating a site index to accompany the public art policy draft which they are developing.

The Board agreed to continue visiting sites at the next meeting on Tuesday, August 2. Members will meet up at 7:00pm at the Community Center.

The meeting was adjourned at 9:00pm.
Respectfully Submitted,
Nicole DeWald, staff liaison
